RENEWED PETITION UNDER 37 CFR 1.137(b)

Dear Sir:

This Renewed Petition is in response to the January 24, 2008 decision by the Office of Petitions dismissing the Applicant's petition to revive the above identified application under 37 CFR 1.137(b). Appropriate extension of time request is contained in this paper.

The above referenced application was unintentionally abandoned on September 15, 2005 for failure to pay the issue fee. Applicant submitted a Petition of Revival of an Application for Patent Abandoned Unintentionally on September 18, 2006. The petition included the petition fee as set forth in 37 CFR 1.17(m); a statement that the entire delay in filing the required reply from the due date for reply until the filing of the grantable petition pursuant to 37 CFR 1.137(b) was unintentional;

and a terminal disclaimer. Applicant mistakenly submitted an RCE and IDS as the required reply instead of the Issue Fee and Publication fee in reply to the Notice of Allowance mailed June 15, 2005. Applicant now submits an executed form PTOL-85 Part B – Fee(s) Transmittal along with this Renewed Petition.

Request for Extension of Time

It is requested that the period for filing a Renewed Petition be extended one month to April 24, 2008. The Commissioner is hereby authorized to charge the extension fee and any other fees which may be required by this paper to Deposit Account 10-0750/BIO-5015USNP/VJS. Please charge any deficiency or credit any overpayment to Deposit Account No. 10-0750/BIO-5015USNP/VJS.

Respectfully submitted,

/Vincent J. Serrao/
